

## APPENDIX

The following ordinances are no longer of general interest, primarily because their provisions were carried out directly after their enactment. Since these ordinances are, therefore, mainly of historical and special interest, it has not been considered necessary to include their entire text here. Instead, they are arranged in groups, according to subject matter, and within each group all ordinances listed by title in chronological order. The content of all the ordinances contained in the Appendix is fully indexed in the general index at the end of the volume. Persons desiring to read the full text of any of these ordinances may do so by consulting the original ordinance books in the office of the Borough Secretary.

The material contained in this Appendix is grouped under the following subject headings:

- A.....Annexation of Territory
- B.....Bond Issues and Loans
- C.....Franchises
- D.....Governmental and Intergovernmental Affairs
- E.....Plan Approval
- F.....Public Property
- G.....Sewers
- H.....Street Lighting
- I.....Streets and Sidewalks
- J.....Water
