Dear Gettysburg Neighbor:

Spring is almost here and planning has begun for the **2010 Sunday in the Park Concert Series** held each year at the Rec Park Amphitheater. The concert series is free to the public and held on Sunday evenings from 7:00 pm to 8:00 from June through August. Look for the complete schedule in the borough's spring newsletter or website.

This program is supported in part by the Adams County Arts Council's STAR Grant program, which is funded by the Adams County Commissioners and the Borough of Gettysburg. A state matching funds program for the 2010 STAR Grant was eliminated this year thereby reducing the amount available to support community arts programs.

Fortunately, there is another valuable resource which avidly supports the continuation of the popular concert series for local musicians in Gettysburg—our residents and businesses. Thanks to our community supporters, the Sunday in the Park Concert Series is now in its 27th year. With the generous support of people like you, we will be able to re-establish the 2008 concert line-up when 11 performances were presented.

A donation of \$200.00 will sponsor one evenings' performance—a great way for a business, club, neighborhood group, or family to show community support. Your name will be announced at the performance as well as included in the printed program and on the borough website. Individual donations of any amount are also greatly appreciated and have proven to be the nucleus of support for this worthwhile program. Please complete the attached form indicating your level of support and return as soon as possible.

We extend a heartfelt **Thank You** to all of you who have donated in the past. We appreciate your continued interest and support for the **2010 Sunday in the Park Concert Series**.

Sincerely,

Rebecca Wiggins  
Recreation Department
