

Gettysburg Shade Tree Commission Year End Report: 2011

Trees Planted: Total 48 trees @ total cost of \$2735.00

21 native trees planted @ Rec Park.
12 street trees located throughout the borough.
15 street trees associated with Steinwehr Ave. project.

Trees Removed: Total 17 street trees.

11 dead trees removed by Borough Crew.
6 trees removed due to conflicts with ADA regulations

Total 9 stumps were ground out by CVTS.

Trees Pruned: Total 101 street trees @ total cost of \$8575.00

The 101 trees were scattered around town. For detailed location of the pruned trees, refer to the commission meeting minutes. All trees were pruned by certified arborist employed by Cumberland Valley Tree Services.

14 of the trees were pruned per request of local tour bus operator.

Brickyard Alley was also pruned for proper clearance.
