

NOTICE

Beginning November 1, 2016, PaDot will be making repairs on Baltimore St. and Middle St. intersection. One side of E. Middle St. will be closed in the first block while they do their repairs. PaDot will be closing the first block of W. Middle St. while they make the necessary repairs. Cars will be allowed to go as far as the borough's parking lot on the east side. PaDot will be allowing cars to go up to the court house lot only. All other vehicles will be rerouted on to S. Washington St. on the west side and rerouted to S. Stratton St. on the east side. Also, meters on Baltimore St. will be bagged to allow traffic to shift over along the parking stalls. This is a joint effort between the state and the borough forces.
